

One Flash™ Roof Repair Sealant

Uniflex® One Flash is a one-component, flashing-grade roof sealant designed for single-step application. This product eliminates the need for fabric reinforcement*, resulting in less steps and reduced labor time. One Flash also features advanced adhesion and can coat and be topcoated with traditional acrylic and silicone roof coatings.

Features and Benefits:

- Single-step application for reduced labor time
- No fabric reinforcement required*
- Easy application by brush or caulking gun
- Remains flexible and strong
- Excellent adhesion to multiple substrates
- Can be recoated by traditional acrylic and most silicone roof coatings
- Available in Gray or White

*No fabric or tape needed for gaps less than 1/8".
