Benefits of Roof Restoration

- Cost
- Convenience
- Liability
- Environment

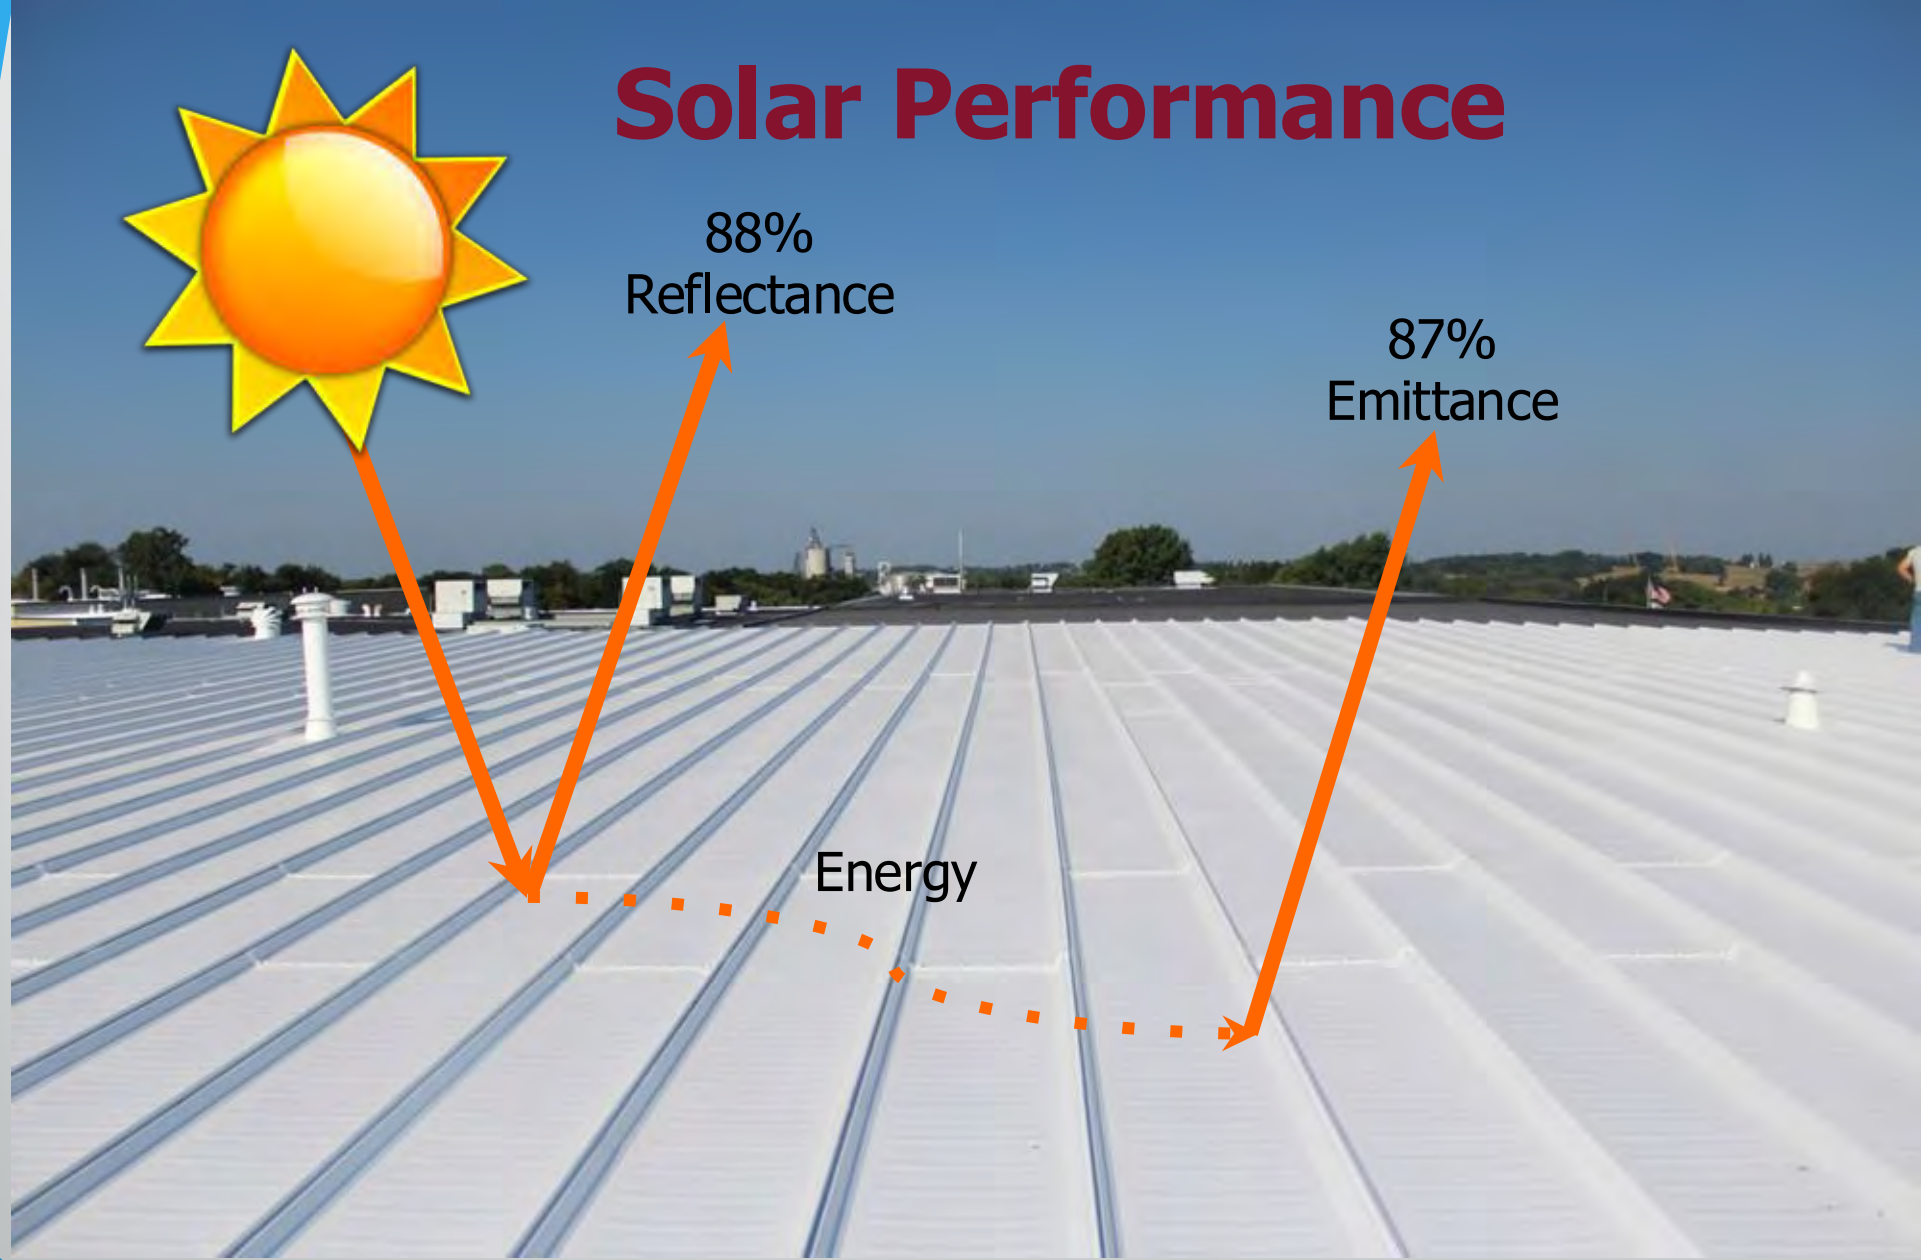

Is a Coating the Correct Option?

- Roof type
 - Low/Steep Slope
 - Substrate
- Existing roof condition
 - Water Intrusion?
 - Physical Damage?

Solar Performance

Cool Roof

Aged EPDM

Coated with
GacoFlex
Silicone

Colorado - A Silicone Market – WHY??

S42 is a high solids 100% Silicone coating that can be used to rejuvenate, repair or replace an existing system.

- Approvals – FM, UL, NOA, CRRC, Miami Dade, and Title 24
- No Primer required *most applications
- Single coat application
- Moisture cured
- SF42/GacoPatch fibered mastic available
- 2 - year shelf life

Usage

- As a maintenance coating for:
 - Pre-existing elastomeric roof coatings
 - Metal roofs
 - Built up roofing (BUR)
 - Mineral cap sheet
 - Weathered single-ply membranes EPDM, PVC, TPO
- SPF Roofs (New Roof System)
- Over concrete and other coatings

Chemical Resistance

- Excellent solvent & chemical resistance.

GacoFlex Silicone Coatings
will **NOT FAIL** under ponding water.

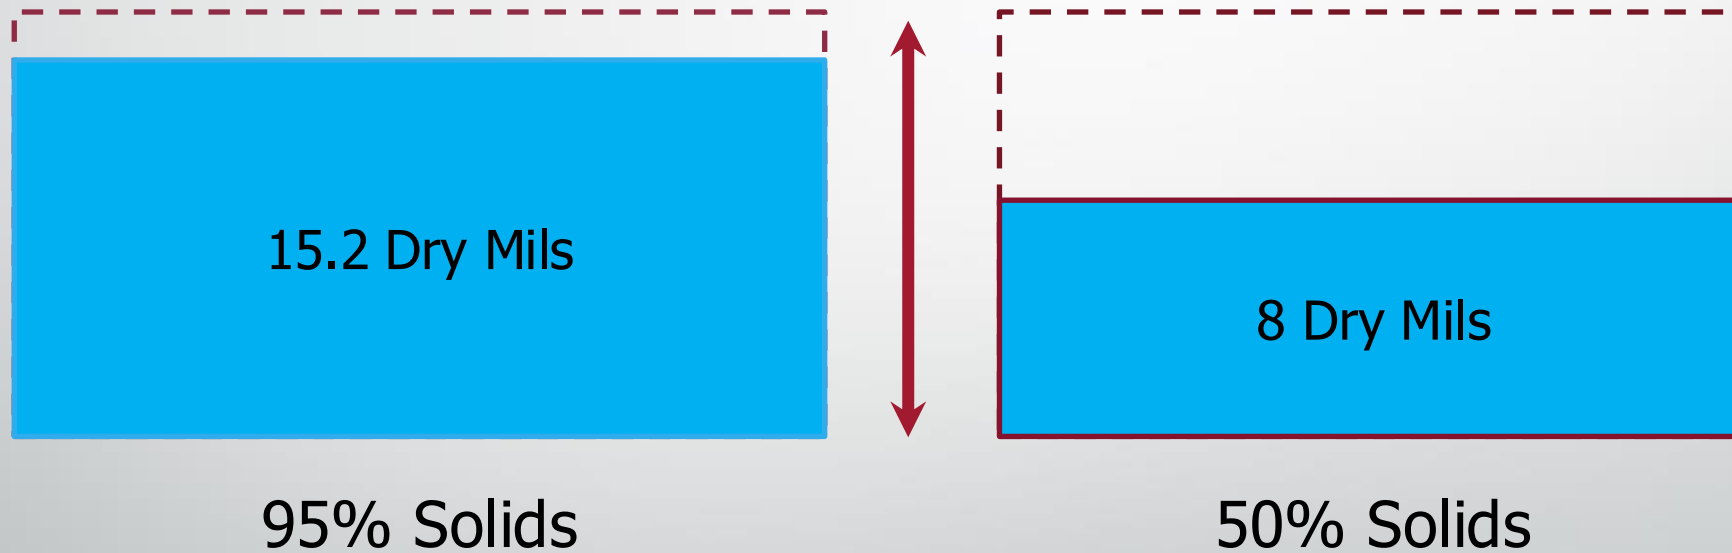

Solids by Volume

- After cure, only the solids will remain...
so if one gallon of GacoFlex Silicone Coatings is 95% solids after cure, you will have a dry film thickness of 15.2 mils.
- $16 \text{ wet mil} \times 0.95 \text{ solids} = 15.2 \text{ dry mil}$

Solids by Volume

GacoFlex Silicone vs. Acrylic Coating

About PCS

In business for 15 years

Largest silicone roof applicator serving the Rocky Mountain Region

50% of projects with roofing companies and property managers

Gaco and Uniflex Specialists. Certified with most other top manufacturers

Large crew equipped to handle projects of any scale

Silicone Experts

Silicone

Withstand **PERMANENT** ponding water

UV stable

White roof = reflective = energy savings

Creates seamless, monolithic roof system

Excellent hail performance

Retains mil thickness

Why PCS?

Free inspections

Will meet your designated contact on site

Turnkey Solutions = Peace of Mind

- Conduct pre-inspection
- Order and coordinate material
- Schedule final inspection
- Provide daily progress photos

Strictly a coatings company
